**MEMORANDUM FOR JOINT AND COMBINED WARFIGHTING SCHOOL (JCWS) CLASS 18-4
STUDENTS**

SUBJECT: Enrollment Instructions

1. Welcome to the National Defense University (NDU), Joint Forces Staff College (JFSC), and the Joint and Combined Warfighting School (JCWS). This memo contains information needed to properly register as a JCWS Student. Registration requirements are outlined below.

A. Pre-Arrival Requirements.

- i) **Registration.** Upon notification by your Service of selection, JFSC Registrar's Office will contact you via email with additional guidance.
- ii) **Computer Requirements.** All students attending the Joint Forces Staff College will no longer be issued computers upon arrival. Our campus is officially Bring Your Own Device (BYOD) and students are expected to bring a personally owned devices for access to curriculum and course instruction. For more information about the NDU/JFSC technology and computing environment, please reference the following:
<http://www.ndu.edu/Students/Incoming-Student-Requirements/>.
- iii) **Lodging.** JCWS students are responsible for securing their own lodging. The nearest lodging facility is the Navy Gateway Inns and Suites (NGIS) located adjacent to JFSC on Naval Support Activity Hampton Roads (Norfolk, VA) and is preferred by most students attending this training. Quarters are limited, especially family quarters. Contact NGIS at 757-394-9054. When calling that number, you will connect to an automated system; use the option (dial 0) that directs you to "reservation arriving today or to reach the front desk". Doing so will take you to the NGIS front desk. Do not utilize DTS for your lodging reservations if you intend to stay at NGIS. **NOTE:** When making reservations, please specify that you are attending the 10-week in-resident JPME II course. **Reservation Code for JCWS Class 18-4 is: 30120100576.**
- iv) **Security Clearance.** The Security Management Office (SMO) code to send collateral clearances (Secret) is **617206**. The SMO code to send Top Secret/Sensitive Compartmented Information (TS/SCI) access is **617203**. You must place **JCWS** in the POC section on your visit request or it will not be picked up properly by Security.
 - (1) SCI is not a required to attend JCWS; however, some electives have this clearance requirement. See the Electives Syllabus information in subparagraph v. below. If you are interested in an elective requiring TS/SCI, submit the appropriate clearance documents.
- v) **All DOD Students (Civilian and Military).** Verification of all student clearances will be done through the Joint Personnel Adjudication System (JPAS). This verification process will begin 45 days prior to class. JFSC will not initiate Transfers in Status (TIS) request.

- vi) Advanced Information Technology (IT) Preparation. To access the required IT accounts, students must complete an NDU 2875 as well as Cyber Awareness training. Course enrollment **will NOT be finalized nor** will students **gain access** to course curriculum until both are completed as well as Security clearance verification. Please note that Cyber Awareness training **must be accomplished via JKO**. Agency or service-specific certifications **will not be accepted**. To enable the JFSC Registrar office to confirm completion via JKO, please update your JKO profile to add “(STUDENT-JFSC) – Joint Forces Staff College” as your secondary organization. Additional IA compliance guidance may be found via the following: <http://www.ndu.edu/Students/IA-Compliance/JFSC-Short-Courses/>

NOTE: It is critical you read and follow the instructions provided at the above link. Failure to do so will delay IT account creation processes and thus delay your access to curriculum and applicable course/content sharing systems.

- (1) NDU 2875. Complete the form in accordance with guidance at <http://www.ndu.edu/Students/IA-Compliance/JFSC-Short-Courses/> Digitally sign form and save to your computer using indicated file naming protocol. Attach file to an email and forward to indicated email inbox.
- (a) Per DOD 8570.01-M, “all individuals with access to DOD IT systems are required to receive and complete initial Information Assurance Awareness training before being granted access to systems(s) and annual Information Assurance Awareness training to retain access.”
- (2) Cyber Awareness Training. All incoming JPME II students must be current with appropriate year Cyber Awareness Challenge. The training must be valid for duration of attendance and must be **taken in JKO AFTER 1 April 2018, and no later than ONE WEEK prior to your course start date**. Additional guidance concerning this requirement may be found via <http://www.ndu.edu/Students/IA-Compliance/JFSC-Short-Courses/> .
- vii) Course enrollment and Seminar Assignment. Approximately 2-4 weeks from class start, you will receive an email from the JFSC Registrar Office requesting completion of an Enrollment Verification Form (EVF). A completed EVF is required to reserve your seat in the JCWS course and the data requested will be used in Seminar assignment. It is anticipated that completing all required fields will take approximately 5-10 minutes and we ask that you complete immediately. Any delay effects course enrollment and timely Seminar Assignment.
- viii) Advanced Readings. Familiarize yourself with the following publications prior to arrival.
- (1) National Security Strategy
- (2) Joint Publication 3-0
- (3) Joint Publication 5-0
- ix) Elective Syllabus. Elective information will be provided during the first week of class.

2. JFSC relies heavily upon Information Technology to communicate with students, deliver curriculum and to create, deliver, and share student-developed materials. JCWS uses “Microsoft O365 private domain for email, cloud document storage, and other common features that O365 users are familiar with. JCWS also utilizes Outlook to allow for the sending and receiving of encrypted emails that may contain personally identifiable information (PII). JCWS relies on the web-based Blackboard classroom applications for access to course materials and NDU library research tools. Both O365 and Blackboard can be accessed outside of school on any personal computing device (e.g, personal computer, iPad, or tablet) capable of web-browsing and running web-based applications. Students are eligible to obtain a student copy of the Microsoft Office Suite through the Microsoft Office Home Use Program.

NOTE: Approximately one week prior to class start you will receive an e-mail from Okta. Okta is web-based application software used by NDU to support student access to required IT accounts via a single login. The FROM email address will reflect “noreply@okta.com” however the message will include the credentials needed to access your Blackboard and Microsoft 365 accounts. [Please log-in immediately](#) upon receipt to allow time to troubleshoot any access issues prior to class start. Additional Okta log-on information can be found at:
